Dear Mr. Prasanna:

This letter will serve as **acknowledgement of receipt** of your submission on April 11, 2023. Within the next ninety days, your submission will be screened to ensure that relevant information supporting the safety, efficacy, and quality of the product has been provided. If during screening, your application is determined to meet the requirements of a class II application as defined by the *Management of Product Licence Applications (PLA) For Natural Health Products* policy, you will be issued a Product Licence within the 90-day performance target date of July 10, 2023. Alternatively, your application will be classified as class III and sent for full assessment for which you will be issued a Product Licence within the 210-day performance target date of November 7, 2023. Additional information may be requested by the NNHPD in the form of an Information Request Notice (IRN). Please note that if at any time the product is deemed not to meet the definition of a Natural Health Product, the product licence application will be refused.

Please note that the Submission Number must be quoted on all correspondence regarding this submission. A submission number is not an authorization to sell a natural health product and enforcement action could be taken by Health Canada at any time in response to non-compliance with the Natural Health Products Regulations.

All *ePost Connect* messages regarding this submission must be sent in the submission-specific conversation initiated by NNHPD.

Requests for status updates, licence corrections, and general inquiries regarding product licence applications should be sent to mnhpd-dpsnso@hc-sc.gc.ca.

Sincerely,

Natural and Non-prescription Health Products Directorate
